

Jeanne is the only massage therapist able to massage the knots out of my back and neck without me being sore the next day. I always leave

Jeanne's massages relaxed and feeling refreshed.

Jeanne uses the heated stones on my back before working my muscles. I enjoy the warmth of the stones and the warmth I feel from Jeanne. Jeanne has many relaxing therapies. She is always able to adjust my therapy to meet my needs..I get a massage twice a month because I enjoy them and can afford Jeanne's prices.

All my friends I've send~~d~~ to Jeanne for their birthdays enjoyed their massages.

A relaxing massage with Jeanne's is a great gift.
